# ROBERT BACON OUITS HIS POST IN FRANCE

Gives Election to Be Fellow of Harvard University as the Reason.

### WASHINGTON HAS NO WORD

and Thinks Taft May Have Given Mr. Bacon an Intimation to Resign.

Second Cable Desputch to THE SUN. Panis, Jan. 11.- Robert Bacon, the American Ambassador to France, this afternoon confirmed the report of his din of New York. resignation. He resigned owing to his election as one of Harvard's five fellows, which makes necessary his residence in the United States.

WASHINGTON, Jan. 11 .- The resignation of Robert Bacon, Ambassador to France, create great surprise.

Many Washington observers are infellow of Harvard University. They duties. ood that his inclination and taste ad him to desire to continue in the diplostatement in which he said:

His sudden resignation has recalled the alled for by the Taft administration are in the diplomatic service for one Government his own friends. Suggestions are
